7 are held in any county of the first classification having a charter
8 form of government which contains all or any part of a city with a
9 population of at least three hundred fifty thousand inhabitants.]

[144.048. Notwithstanding provisions of the law to the
2 contrary, the director of revenue shall not assess state and local
3 sales or use taxes, penalties or interest on any sales of nondomestic

2 provisions of section 144.030, there is hereby exempted from any

2 [144.749. In the event section 144.748 is ultimately found
3 to be unconstitutional, the director of revenue may withhold from
4 future distributions due political subdivisions an amount equal to
5 such political subdivision's share, including interest, of the
6 distribution from the local use tax fund since its inception. The
7 phrase "future distributions" as used in this section means any and
8 all present or future taxes collected and administered by the
 director on behalf of the political subdivision.]

EXPLANATION: This section is ineffective; there are no moneys remaining in the fund.

2 [152.032. 1. Fifty percent of all taxes collected by the
3 director of revenue under the provisions of this chapter shall be
4 deposited in the state treasury to the credit of a fund to be known
5 as the "Grade Crossing Fund", which is hereby created and
6 established for the purpose of providing revenues to protect the

8 streets, and highways with railroad tracks. Whenever the motor
9 carrier and railroad safety division of the department of economic
10 development, pursuant to section 389.640, RSMo, orders the
11 installation, construction or reconstruction of automatic signals or
12 other safety devices or other safety improvements at crossings at
13 grade of railroads and public roads, highways or streets, the cost
14 thereof, which the division apportions against the state, county,
15 municipality or other public authority in interest, shall be paid out
16 of the grade crossing fund; provided, however, that when any part
17 of such cost can be paid from funds available under any federal or
18 federal aid highway act such part shall not be paid from the grade
19 crossing fund; and provided, further, that no more than ninety
20 percent of the cost of protecting any grade crossing shall be paid
21 out of the grade crossing fund. The motor carrier and railroad
22 safety division of the department of economic development shall, in
23 cooperation with other governmental agencies of the state,
24 determine if any such cost can be paid from funds available under
25 any federal or federal aid highway act. An order of the motor
26 carrier and railroad safety division of the department of economic
 development for the payment of any such cost from the grade

crossing fund shall be authority for the state treasurer to pay out of that fund to the person, firm, or corporation entitled thereto under the division's order the amount so determined to be paid from said fund. However, such payments annually shall not exceed in any one county an amount equal to the distribution as set forth in section 152.050, unless the motor carrier and railroad safety division of the department of economic development makes a specific finding of facts and conclusions of law that a situation highly dangerous to the public does exist.

2. The unexpended balance in the grade crossing fund at the end of each fiscal year shall not revert to the general revenue fund as provided in section 33.080, RSMo, but shall accumulate from year to year.]

EXPLANATION: This section expired 01-01-01.

2 [160.302. 1. At the direction of the school board, school
3 districts may submit an application for loan funds to the
4 department for the purpose of financing all or a portion of the costs
5 incurred in implementing an energy conservation project in a
6 district owned and operated building or facility. The application
7 shall be accompanied by a technical assistance report. The
8 application and the technical assistance report shall be in such
9 form and contain such information as prescribed by the
10 department.

11 2. All applications shall be assigned a "payback score"
12 derived from the application review performed by the
13 department. Applications shall be selected for loans beginning
14 with the lowest payback score and continuing in ascending numeric
15 order to the highest payback score until all available loan funds
16 have been obligated within any given application cycle. In no case
17 shall a loan be made to finance an energy project with a payback
18 score of less than six months or more than five years. Applications
19 may be approved for loans only in those instances where the school
20 district has furnished the department information satisfactory to
21 assure that the project cost will be recovered through energy cost
22 savings during the repayment period of the loan.

23 In no case shall a loan be made to a district unless two-thirds of
24 the members of the school board vote to approve the loan
25 agreement.

26 3. The department of elementary and secondary education
27 shall be provided a summary of all proposed school district projects
28 for review within fifteen days from the application deadline. Once
29 projects have been reviewed and selected for loans by the
30 department of natural resources, the department of elementary and
31 secondary education shall have thirty days to certify that those
projects selected for loans are consistent with related state

32 programs for educational facilities. No loan shall be provided to a
33 school district until and unless the department of elementary and
34 secondary education has issued such certification in writing to the
35 department of natural resources.]

EXPLANATION: This section expired 01-01-01.

2 [160.304. Annually, at the conclusion of each state fiscal
3 year, each school district which has received a loan pursuant to the
4 provisions of sections 160.300 to 160.328 shall compute the actual
5 energy cost savings resulting from the implementation of the
6 energy conservation project financed by the loan. Energy cost
7 savings shall be calculated in the manner prescribed by the
department.]

EXPLANATION: This section expired 01-01-01.

2 [160.306. 1. Each school district to which a loan has been
3 made under sections 160.300 to 160.328 shall repay such loan, with
4 interest, in semiannual payments. The rate of interest shall be the
5 rate required by the funding source. The number, amounts and
6 timing of the semiannual payments shall be as determined by the
7 department.]

8 2. Any school district which receives a loan through the
9 provisions of sections 160.300 to 160.328 shall annually budget an

12 3. The district shall not raise the funds needed to make the
13 semiannual loan payment by the levy of additional taxes and shall
14 not provide for such payment by a charge against any established
15 district fund or account. The semiannual loan payments shall be
16 derived solely from energy cost savings resulting from the
17 implementation of the project. In the event that energy cost
18 savings resulting from the project fail to equal or exceed the
19 amount of the semiannual payment, the district and the
20 department shall renegotiate the repayment period in such a

effective date has already occurred.

[339.860. Sections 339.710 to 339.860 shall become effective
2 on September 1, 1997.]

EXPLANATION: This section is ineffective by its own provisions; it only applies to proceedings instituted prior to 8-28-91.

[375.700. 1. Unless reinsurance of a dissolved insurer is effected and its assets conveyed to the reinsuring company as provided by law, and unless such insurer is being rehabilitated under other provisions of sections 375.010 to 375.1246, the receiver, under the direction of the court, shall apply the sums realized from the assets of such insurer in hereafter making any partial or final distribution, in the following order:

(1) To payment of all the expenses of closing the business and disposing of the assets of such insurer;

(2) To the payment of all lawful taxes and debts due the state and the counties and municipalities of this state;

(3) To the payment of policy claims;

(4) To the payment of debts due the United States;

(5) To the payment of the other debts and claims allowed against such insurer, and the unearned premiums and the surrendered value of its policies, in proportion to their respective amounts.

2. A guaranty association which has paid a claim because of insurance coverage afforded by the insurer in receivership may in addition to its reimbursement claim for the amount it paid to a claimant also claim from the receivership and have allowed reasonable allocated loss adjustment expenses incurred and paid by it with respect to such claim on or after January 1, 1986. Any claim amount allowed to a guaranty association as allocated loss adjustment expense reimbursement shall be assigned the same priority under subsection 1 of this section as the claim to which it relates would be entitled had the claim been allowed. A guaranty association shall only be entitled to an allowance for reimbursement of its allocated loss adjustment expenses and shall not be allowed reimbursement for its general administrative expenses.

35 3. The court shall have authority from time to time upon
36 application of the receiver to make partial distributions upon
37 allowed claims to guaranty associations or other claimants prior to
38 a final distribution from the receivership estate. Prior to doing so,
39 the court shall hold an evidentiary hearing at which time the
40 condition of the receivership estate shall be considered and there
41 shall be presented evidence as to projected claims, projected
42 expenses of administration and projected assets which may be
43 available for ultimate distribution. Before making any such partial
44 distribution the court shall find that such will not prejudice the
45 rights of any other claimants, that such will not hinder the
46 administration of the receivership, and that the distribution being
47 allowed is fair and reasonable. The court may condition any
48 partial distribution upon such terms or conditions as it believes to
49 be in the best interests of the receivership as a whole.

50 4. If the insurer is a life insurance company and has
51 deposits for policyholders or for the security of registered policies
52 or annuity bonds, such deposits shall be disposed of as provided in

2 construed to repeal or modify the provisions of section 562.190,
3 RSMo.]

EXPLANATION: The following sections are ineffective; no street railways have operated in Missouri for decades and any redevelopment of streetcar systems in Missouri based on newer technology would likely result in updated requirements.

[391.010. 1. Any number of persons, not less than five, may
2 form a company for the purpose of constructing, maintaining and
3 operating a street railroad for public use in the conveyance of
4 persons, mail and express parcels; and for that purpose may make

6 of the company, the number of years the same is to continue, the
7 city and county in which the road is to be constructed or
8 maintained and operated, the amount of the capital stock, common
9 and preferred, of the company, and the number of shares of which
10 said capital stock shall consist, and the names and places of
11 residence of the directors, not less than five nor more than thirteen
12 in number, who shall manage its affairs for the first year and until
13 others are chosen in their places. Each subscriber to such articles
14 of association shall subscribe thereto his name, place of residence

15 and the number of shares of stock he agrees to take in said
16 company.

17 2. When one-half of the capital stock shall have been
18 subscribed and ten percent paid thereon in good faith to the
19 directors named in said articles of association, and an affidavit
20 annexed thereto, made by at least three of the directors named
21 therein, that one-half of the stock of the said proposed corporation
22 has been in good faith subscribed, and ten percent of the amount
23 so subscribed has been paid, and that it is intended in good faith
24 to construct or maintain and operate the road mentioned in such
25 articles of association, the said original articles of association shall
26 be recorded in the office of the recorder of deeds of the county or
27 city in which the corporation is to be located and then be filed in
28 the office of the secretary of state, and thereupon the said
29 association shall by the name mentioned in the said articles of
30 association become a body politic and corporate with the powers,
31 rights and franchises, herein specified; provided, the said articles
32 of association shall not be filed and recorded until such association
33 or corporation shall pay to the state director of revenue fifty dollars
34 for the first fifty thousand dollars or less of the capital stock of the
35 corporation, and a further sum of five dollars for every additional
36 ten thousand dollars of the capital stock.]

[391.020. Every corporation formed under the provisions of
2 this chapter shall have power

3 (1) To construct or maintain and operate its railroad along,

5 roads of any county; provided, the consent thereto of the municipal
6 authorities of such city or town or the county commission of such
7 county is first obtained; provided, municipal authorities of cities or
8 towns shall not grant the right-of-way over, along or across any
9 street, except upon the petition of the owners of the land
10 representing more than one-half the frontage of the street or so
11 much thereof as is sought to be used for streetcar purposes, and
12 when the street or parts thereof that is sought to be used shall be
13 more than one mile in extent, no petition of landowners shall be
14 valid unless the same shall be signed by the owners of the land

15 representing more than one-half the frontage of each mile and of
16 the fraction of the mile, if any, in excess of the whole mile
17 measuring from the initial point named in such petition such street
18 or parts thereof sought to be used for such purposes;

19 (2) To operate its road by animal, cable, electric or other
20 motive power, as the consent of the use of which said power may be
21 obtained from the public authorities of such city, town or county;

22 (3) To receive and collect such fares for the transportation
23 of persons, express and mails as may be provided in the said
24 consent of said public authorities of such city, town or county given
25 as aforesaid;

26 (4) To acquire by grant a right-of-way not to exceed fifty
27 feet in width over private property, and to construct or maintain
28 and operate its roads thereon;

29 (5) To purchase and acquire depots, powerhouse sites or
30 terminals;

31 (6) To issue bonds payable in such amount and at such
32 times and places as it deems best, and may dispose of the same for
33 the purposes of its incorporation, and to secure payment of the
34 same, may mortgage its property, real and personal, and also the
35 franchise of the company;

36 (7) To purchase, lease or acquire by other lawful contract,
37 which shall include the right to purchase the capital stock and
38 bonds of other street railroad companies, and to hold and dispose
39 of the same, and to hold, use and operate any street railroad or
40 roads, with all and singular its or their franchises and properties
41 of every description belonging to any other street railroad
42 corporation or corporations; provided, that such purchase, lease or
43 other contract be authorized or approved by the vote of the holders
44 of two-thirds in amount of the capital stock of the company so
45 purchasing, leasing or otherwise contracting therefor at a meeting
46 called for that purpose upon twenty days' notice published in some
47 newspaper of the city or county where the general office of such
48 street railroad company may be located, or by written notice mailed
49 to the last known address of each registered stockholder twenty
50 days before such meeting; and provided further, such roads connect

51 with or intersect each other, so as to allow a single passage one
52 way over each road for a single fare;

53 (8) To sell, lease or dispose of by any other lawful contract,
54 to any other street railroad company, its railroad rights, franchises,
55 including the right to be a corporation, and all and singular its
56 other properties of every character and description; provided, that
57 such sale, lease or other contract disposing of its railroad,
58 franchises and other properties, shall be first authorized or
59 approved by the vote of two-thirds in amount of the holders of its
60 capital stock at a regular or called meeting of its stockholders
61 convened pursuant to such notice as is required in subdivision (7);

62 (9) To have and enjoy all such other powers and franchises
63 as are usually had, enjoyed and exercised by street railroad
64 companies in addition to the powers herein enumerated.]

[391.030. Any street railroad company heretofore organized
2 under any general or special law of this state may have and enjoy
3 all the benefits, powers and privileges of this chapter by filing in
4 the office of the secretary of state a resolution of its board of
5 directors accepting the provisions of this chapter, and paying into
6 the state treasury the same fees as provided in section 391.010.]

[391.040. Any company formed under this chapter, or
2 accepting the provisions thereof, may increase its capital stock or
3 bonded indebtedness from time to time by the authority of the vote
4 of a majority of the stockholders of such company at a regular
5 annual election for the directors thereof, or at a special meeting of
6 the stockholders of said company called to consider the same upon
7 sixty days' public notice.]

[391.050. Any railroad company organized under the
2 provisions of this chapter, or accepting the provisions thereof, may
3 issue preferred stock for such amount and upon such terms and
4 conditions as the board of directors may prescribe, by and with the
5 consent of the shareholders of such company expressed at a regular
6 or special meeting of such stockholders called upon twenty days'
7 published notice or twenty days' written notice to each registered
8 stockholder addressed to him at his last known address.]

[391.060. Any corporation now or which may hereafter be

2 incorporated under any general or special law of this state and
3 operating a street railroad shall have the right to effect operating
4 arrangement with any interurban railroad connecting therewith,
5 which shall include the right to purchase bonds and to guarantee
6 the bonds of any such interurban railroad company.]

[391.070. 1. Whenever the division of motor carrier and
2 railroad safety shall be of the opinion, after a hearing had upon its
3 own motion or upon complaint, that the practices and service and
4 the rules and regulations affecting the same of any street railroad
5 corporation are, as to transportation upon the street surface
6 railroads of said corporation by use of transfers given to each
7 passenger paying one single fare, unjust and unreasonable either
8 as to persons transported upon such street surface railroads or as
9 to any such street railroad corporation, the division shall determine
10 and prescribe by order the just and reasonable service and rules
11 and regulations affecting the same thereafter to be maintained and
12 observed by said street railroad corporation

13 (1) As to the distance over which a passenger shall by such
14 transfer be transported by it upon said street surface railroads for

24 served upon it and do everything necessary and proper in order to
25 secure compliance with and observance of every such order by all
26 of its officers, agents and employees.

32 corporation shall carry or permit any other party thereto to carry
33 between any two points on the railroads or portion thereof
34 embraced in such contract any passenger desiring to make one
35 continuous trip between such points for one single fare, not higher
36 than the fare lawfully chargeable by either of such corporations for
37 an adult passenger. Every such corporation shall, upon demand,
38 and without extra charge, give to each passenger paying one single
39 fare a transfer entitling such passenger to one continuous trip to
40 any point or portion of any railroad embraced in such contract, to
41 the end that public convenience may be promoted by the operation
42 of the railroads embraced in such contract substantially as a single
43 railroad with a single rate of fare.

44 4. For every refusal to comply with the requirements of
45 subsection 3, the corporation so refusing shall forfeit one hundred
46 dollars, fifty dollars of which shall be paid to the aggrieved party

7 empowered to lay their track or tracks, and operate their cars
8 thereon, or operate their roads already constructed on the street or
9 streets, for the full time such consent has already been given,
10 notwithstanding such road or roads may be nearer to a parallel
road than the third parallel street from any road now constructed.]

2 [391.090. All existing street railroad companies organized
3 under the laws of this state, and all railroad companies authorized
4 to propel their cars, in whole or in part, by means of a cable under

8 comply with the provisions of this part. If the collateral is
9 consumer goods, the debtor has a right to recover in any event an
10 amount not less than the credit service charge plus ten percent of

13 (2) The fact that a better price could have been obtained by
14 a sale at a different time or in a different method from that
15 selected by the secured party is not of itself sufficient to establish
16 that the sale was not made in a commercially reasonable manner.
17 If the secured party either sells the collateral in the usual manner

25 proceeding or by any bona fide creditors' committee or
26 representative of creditors shall conclusively be deemed to be
27 commercially reasonable, but this sentence does not indicate that
28 any such approval must be obtained in any case nor does it indicate

EXPLANATION: This section expired 12-31-01.

2 [620.1310. 1. There is hereby created within the
3 department of economic development the "Task Force on Trade and
4 Investment". The primary duty of the task force is to establish

7 investment opportunities with African countries having a
8 democratic form of government. As part of its duties, the task force
9 shall develop a comprehensive plan of action with strategies for
10 increasing the availability of import and export opportunities for
Missouri businesses.

11 2. The task force created in this section shall be comprised
12 of fifteen members, appointed in the following manner:

13 (1) Four members of the Missouri house of representatives,
14 two from each political party, shall be appointed by the speaker of
15 the house of representatives;

16 (2) Four members of the Missouri senate, two from each
17 political party, shall be appointed by the president pro tem of the

33 2001.]

EXPLANATION: This section is ineffective; the conditions set forth in this section to delay the effective date for SB 590 enacted in 1994 were not met (see Attorney General's explanation dated 4/3/96).

 [643.360. This act shall not take effect until a cause of
2 action is filed by the attorney general on behalf of the state of
3 Missouri and other appropriate parties in a federal court of
4 appropriate jurisdiction requesting injunctive relief and to test the
5 constitutionality and legality of sanctions threatened by the
6 Environmental Protection Agency pursuant to the federal Clean Air
7 Act, as amended, 42 U.S.C. 7401, et seq., and shall not take effect
8 so long as a temporary restraining order or injunction relating to
9 such sanctions shall be in effect. Such action may allege, among
10 others, that the standards which determine that the St. Louis
11 metropolitan statistical area is a nonattainment area are
12 unreasonable in relation to the sanctions sought to be imposed by
13 the Environmental Protection Agency by virtue of the following:

14 (1) That there is not sufficient substantial evidence to
15 demonstrate a rational relationship between the ambient air
16 conditions in the St. Louis metropolitan statistical area and the
17 penalties sought to be imposed by the Environmental Protection
18 Agency;

19 (2) That the standards which determine that the St. Louis
20 metropolitan statistical area is a nonattainment area and the
21 penalties threatened by the Environmental Protection Agency are
22 arbitrary and lack a rational relationship to the overall purpose of
23 the federal Clean Air Act, as amended, 42 U.S.C. 7401, et seq. in
24 that;

25 (a) That at only one of the seventeen monitoring sites in the
26 St. Louis metropolitan statistical area have there been more than
27 the allowed number of exceedances during the past three years;
28 and

29 (b) That for the exceedances at that single monitoring site,
30 there exist purely local causes which do not reflect nor bear a true
31 relationship to the ambient air quality of the St. Louis

32 metropolitan statistical area; and

33 (3) That the penalties available to be imposed by the
34 Environmental Protection Agency are unreasonable and arbitrary
35 and bear no rational relationship to the ambient air quality of the
36 St. Louis metropolitan statistical area in that:

37 (a) At the single exceeding monitoring site there exist
38 purely local causes for the exceedances which do not bear a true
39 relationship nor reflect the actual ambient air quality of the St.
40 Louis metropolitan statistical area;

41 (b) That the state of Missouri should be given a reasonable
42 time to correct the exceedances at the single exceeding site and the
43 penalties should not be assessed nor accrue prior to such time;

44 (c) That it is unreasonable to impose on the state of
45 Missouri the obligation to expend an estimated one hundred
46 twenty-five million dollars to reach attainment based upon the
47 single exceeding site and the existing local causes for the
48 exceedances where those do not reflect nor bear a true relationship
49 to the ambient air quality of the St. Louis metropolitan statistical
50 area;

51 (d) That the fifteen percent reduction in volatile organic
52 compound requirement in the federal Clean Air Act bears no
53 relationship to the actual ambient air quality of the St. Louis
54 metropolitan statistical area because the reduction is mandated by
55 the Environmental Protection Agency whether or not the St. Louis
56 metropolitan statistical area reaches attainment status.]
